

NEW ASSOCIATE OF BUSINESS DEGREE AVAILABLE THIS FALL DEGREE SMOOTHS UNIVERSITY TRANSFER FOR BUSINESS STUDENTS

"Students graduating with business degrees are some of the most sought-after graduates today," says Professor Richard Kloes, and now Western Nevada College students can be all business when they start the 2016 fall semester.

WNC's new Associate of Business degree sets students up for success, by easing the transition to a four-year university. Students who complete the two-year AB degree will be able to transfer to a university with junior status. **READ MORE.**

JUMP START COLLEGE PROGRAM SUCCEEDS AT DOUGLAS HIGH COLLEGE-LEVEL COURSES INSPIRE STUDENTS AND ADMINISTRATION

Seniors at Douglas High School can complete 12 college credits by the time they receive their high school diploma, through WNC's JumpStart partnership. DHS Principal Marty Swisher says the program is a catalyst that administrators are counting on to inspire their students and give them confidence to pursue a higher education.

"We view Jump Start as one of a number of opportunities for our students to achieve their potential and to graduate," said Swisher. "The Jump Start program and courses we offer fit in with our mission and the direction of the state to prepare students for college."
